AutoCAD Crack + [32|64bit] (2022)

Since its debut, Autodesk AutoCAD Torrent Download has enjoyed success as a drafting program for industry. History Autodesk initially released AutoCAD as part of the Autodesk DWG Suite in 1982 for the Apple II, Atari 800, Commodore 64, IBM PC, and Texas Instruments TI99/4A. The software is also available for older computers such as the TRS-80, Apple IIgs, and IBM PCjr (a Japanese version of the PC), as well as newer computers such as the Apple IIe and Apple Mac. In September 1983, AutoCAD was released for the Apple II. In March 1984, the Microsoft DOS-based operating system was introduced. AutoCAD for Windows was introduced in October 1988, and a Macintosh version was released in December 1988. In 1988, Autodesk announced the launch of the PersonalDWG website. Designed to allow a user to edit DWG files, the website, which was limited to Windows, had users pay a subscription fee to Autodesk. The website was popular and Autodesk continued to sell software products for it until the end of 1994. Autodesk released the first version of AutoCAD in 1982 for the Apple II and TI99/4A. The software became a success and in 1983 the company introduced the first version of AutoCAD for Windows. Autodesk released another version for Windows in March 1984. In 1987 Autodesk released AutoCAD for Mac. Initially only available for the Macintosh, it ran on machines with either Motorola 68000 or 68020 processors. The Macintosh was discontinued in 1992, though the software continued to run on other computers. In 1991 Autodesk released AutoCAD for DOS, first for the Windows platform and then for the Macintosh platform. In 1992, Autodesk introduced the first version of AutoCAD for Windows NT. In 1993, AutoCAD for Windows was introduced. In 1995, Autodesk released AutoCAD for Linux. In 1998, Autodesk introduced AutoCAD for Windows CE. It was the first version of AutoCAD to run on Windows CE-based devices. In 2000, Autodesk introduced AutoCAD LT, its first version designed for the Mac platform. In 2003, Autodesk introduced AutoCAD Standard for Windows. It was the first version of AutoCAD to run on Windows XP.

AutoCAD Crack Patch With Serial Key PC/Windows

It is also possible to develop extensions in AutoLISP, Visual LISP, VBA, and other .NET languages. AutoCAD has a custom XML-based database format called AIGES, which is based on a combination of XML and GML. AIGES-based files can be opened by other GIS applications. Supported file formats AutoCAD supports the following types of files: DXF DWG DGN PDF IGES MDD PNG SVG CGM TXT WRL XPS BMP PIC JPG JPEG PICT PPM PSE PSF RPT TIF TPE TXT XORG XPP Versions Since AutoCAD 2018, there are two versions, AutoCAD LT and AutoCAD. AutoCAD LT is the original, lowest-cost, product. It is available for Windows, macOS, and Linux. It was originally written in Visual Basic. It is a DLL-based application and is therefore binary compatible with Windows 3.1, Windows 95, and Windows 98. A Universal Installer, AutoCAD LT 2010, was released to make it easier to upgrade from earlier versions. It is sold by Autodesk for US\$49 per year, but is also sold directly by Autodesk without license fees. AutoCAD, also available on Windows, Linux, and macOS, is a fully integrated workstation software package. It is the successor of the AutoCAD R13 release. As of version 17, it is available with the Autodesk 2012 suite of software, or can be purchased separately. From version 18, a free, fully functional version of AutoCAD is available for Microsoft Windows and macOS, called AutoCAD LT. AutoCAD LT 2018 is only available for Windows and macOS. For Linux, since version 2018, AutoCAD LT is available on 32-bit x86 Intel and 64-bit Intel (AMD) x86 and AMD x86-64 architectures. The AutoCAD LT 2017 version (18.1) is compatible with the new design of AutoCAD 2017. Another full version of AutoCAD, AutoCAD LT, also known as Autodesk AutoCAD, is available for Microsoft Windows, macOS, and Linux. It is the successor of af5dca3d97

I'm trying to parse some strings containing text. I would like to extract certain strings from the text. There are two possible cases: Case 1: The string can contain some ' ' characters. Case 2: The string does not contain any ' ' characters. Case 1 My text string is as follows: . . some text here some more text here . . Now I would like to extract some strings in the above example. For example: . . some text here some more text here . . Case 2 Some text and more text. I'd like to extract the following: some text here some more text here . . I'm trying to use a regex to search for the strings but the following doesn't seem to work for both cases. (?s)some text here (?s)some more text here A: You need to use lookahead, and backtrack if the text doesn't match. (?s)some text here(?:!.*))*some more text here(?:!.*))* Explanation: (?s) # Turn on DOTALL mode. some text

What's New In AutoCAD?

PXG tools for making your drawing and drawing process easier and faster: Creation, editing, and data management tools. You can even use the PXG tools to batch print and deliver drawings to your customers. (video: 1:19 min.) Powerful, new enterprise CAD features: Drive your organization's business with powerful new tools that put the power of AutoCAD into the hands of your entire organization. (video: 1:27 min.) Automatic creation of CAD model relationships: AutoCAD 2023 is the first release of the automatic creation of CAD model relationships. It provides your engineers with the ability to quickly and automatically create relationships between 2D drawings. (video: 1:30 min.) Rapid Autodesk collaboration and visualization tools: Easily view, synchronize, and collaborate on 3D and 2D files using a web browser. Manage and manage the shared drawing assets that make up your project with the all-new User Views. (video: 1:27 min.) Autodesk 360: View, edit, and share in real time using Autodesk 360. Access real-time content from within Autodesk 360 to collaborate on designs, create new designs, and work on other projects. (video: 1:46 min.) Autodesk 360 includes the following features and functions: Autodesk 360 facilitates collaboration, by providing real-time view, edit, and collaboration access to files. The Real-time Viewer, is the first time anyone can open a new drawing or view a new version in real time. AutoCAD or AutoCAD LT users with a Windows 10 Pro or Enterprise system can access and edit real-time files, while the same experience is available to AutoCAD LT users with a Windows 10 Enterprise system. AutoCAD users can now download their own custom wallpapers, extensions, color schemes, and settings from the Autodesk Community. Autodesk 360 lets you access real-time content from Autodesk 360. AutoCAD LT users can access real-time content from Autodesk 360 by selecting the community option when they sign into the browser. AutoCAD LT users can access and edit real-time files, while the same experience is available to AutoCAD LT users with a Windows 10 Enterprise system. Download your own

System Requirements:

Operating system: Mac OS X 10.8.2 or later CPU: Intel Dual-core 2.2GHz or better RAM: 1 GB or more MB: 500 MB or more HDD: 300 MB or more GPU: NVIDIA GeForce 8400, 6600, or 7000 series or ATI Radeon X1600 or better Viewsize: 1366 x 768 px Weight: 2.32 GB Language: English, Simplified Chinese Developed by: GypsyCat Studios
